Children's Music Network 30th Anniversary

Immerse yourself in a weekend of empowering songs, beautiful melodies and spontaneous harmonies in a gorgeous setting on Cape Cod only 2 miles from the sandy beach. Rich opportunities abound for singing, networking, professional development and informal learning for all ages honoring the positive power of music in children's lives.

Be inspired by our Keynote presenter, Ken Whiteley, a Canadian Roots Music legend – from jug band, folk and swing to blues, gospel and children's music. Called "a cross between Pete Seeger and Tony Bennett", Ken's deep knowledge and infectious passions guarantees a good time for all!

Join us as we honor Sally Rogers with CMN's Magic Penny Award given to people who have demonstrated lifetime achievement in the field of children's music. Sally is committed to using her skills as an educator, artist and musician to help ALL learners reach their highest potential as human beings, and incorporates this passion into her work with both children and teachers.
