

ADVERTISE IN THE 2018 CMN INTERNATIONAL CONFERENCE PROGRAM BOOK

Seize this opportunity to reach a very targeted group of people who are committed to keeping music in the lives of children. Teachers, songwriters, performers, librarians and long-time members of the Children's Music Network gather once a year to learn, share, and celebrate the work that they do.

Conference program materials are assembled in a booklet and distributed at registration to all conference attendees. You can purchase space in the program to:

- Display ad with art for your business
- Display ad from a business in your area that would like to support CMN
- Short personal greeting
- Announcement of your new recording
- Business-card-size ad

For an ad, please provide a B&W print-ready original or electronic ad (.doc, .jpg, .pdf) **sent to the [CMN office](#) no later than August 24, 2018**. (Color ads are acceptable, but they will be printed in black and white.)

For a personal greeting, you may simply write the text on this form and we'll do the formatting. Please feel free to send greetings even if you can't attend the gathering: this is a good way to feel connected if you can't come. **The final deadline for this is also August 24**
